OHF Maltreatment Data Report

2025

Disclosure: Maltreatment Data

We strive to be transparent and accountable to our players, coaches, volunteers and communities we serve. The OHF and its seven Members will release reports in accordance with Hockey Canada's Playing Rule 11.4 that mandates the tracking and compilation of data pertaining to incidences of abuse.

It is important to note that Hockey Canada’s Playing Rule 11.4 was only implemented in 2023. The goal with a year over year view of cases is to be able to identify, measure, reduce and eliminate maltreatment of all kinds in hockey, as well as understand where complaints are coming from to improve our processes and regulations.
