#### **4. COMMITMENT TO REPORTING MALTREATMENT, BULLYING, HARASSMENT AND MISCONDUCT**

---

- 4.1 Maltreatment, Harassment, Bullying and Misconduct in all its forms will not be tolerated. Accordingly, all Registered Participants are responsible for making every reasonable effort to uphold this commitment. Registered Participants can expect to have an environment free from Maltreatment, Bullying or Harassment.
- 4.2 All Registered Participants have a duty to report any form of Maltreatment, Bullying, Harassment or Misconduct as soon as practical under the circumstances. The obligation to report is an ongoing one and is not satisfied by making an initial report. The obligation includes reporting, on a timely basis, all relevant information of which the Registered Participant becomes aware. As noted elsewhere in this Policy, Registered Participants may have a corresponding duty to report the offending behaviour to law enforcement depending on the nature of the Maltreatment, Bullying or Harassment.
- 4.4 Registered Participants should not investigate or attempt to evaluate the credibility or validity of allegations. Registered Participants making a good faith report are not required to prove that the reports are true before reporting.
- 4.5 A Registered Participant who is aware of Maltreatment, Bullying, Harassment or Misconduct but does not report it as required by this Policy will be subject to sanction where appropriate.

- 4.6 All Complaints against a Registered Participant should be made directly to the ITP, and should not be made to the OHF. A link to make a direct complaint to the ITP is displayed prominently on the OHF's website. However, where Hockey Canada, the OHF, OHF Member or Registered Participant receives a Complaint directly, it will immediately refer the matter to the ITP for handling.
- 4.7 The ITP will conduct an initial review of any Complaint it receives to determine whether, in the ITP's estimation, the matter falls within the jurisdiction of OSIC (if the Complaint is received after the Signatory Date) or a provincial safe sport body. If it does, then before the referral occurs, the ITP will notify the Complainant or the relevant provincial safe sport body that they are referring the Complaint to OSIC.
- 4.8 At its discretion, OHF or a OHF Member may act as the Complainant and initiate the Complaint process under the terms of this Policy. For instances involving the OHF, a decision as to whether to initiate a Complaint will be taken by the OHF Chair of the Board, in consultation with the Board of Directors. Each OHF Member shall determine its own process for determining who has the authority to initiate a Complaint under this paragraph. In all cases where OHF or the OHF Member elect to initiate a Complaint, OHF or the OHF Member, as the case may be, will identify an individual to represent the organization.
- 4.9 Complaints should be made in writing, wherever possible. The ITP may receive a Complaint that is not in writing at its sole discretion. The ITP will accept anonymous Complaints.
- 4.10 The ITP may request additional information from a Complainant during the screening process.
- 4.11 If Complaints are received which do not contain allegations relating to a Registered Participant (for example, if the Complaint relates to someone who is participating in a non-sanctioned league), then the ITP will dismiss the Complaint immediately. The Complainant will be advised regarding the reasons for the summary dismissal, and such decision cannot be appealed. Note that even if a Complaint has been summarily dismissed, there may be other avenues for the Complaint to be brought. While the ITP, Hockey Canada, OHF or OHF Member may endeavour to assist, the ITP, Hockey Canada, OHF and the OHF Member are not responsible for providing such advice or any direction to the Complainant in that regard.
- 4.12 Complaints may be brought by a Minor. Minors may, but are not required to, have a parent/guardian or other adult serve as their representative during the process set out in the Policy. For clarity, a Complaint will not be rejected on the sole basis that it was submitted by a Minor and not by a parent/guardian.

## **5. COMPLAINTS RETURNED TO THE OHF BY THE ITP**

---

- 5.1 Any complaint submissions that are not covered under the definition of Serious Misconduct in the Hockey Canada Policy will be returned to the Ontario Hockey Federation by the ITP to be review in accordance with OHF By-Laws, Regulations and Policies.
- 5.2 Each returned case will be sent to the OHF to determine if it falls within 5.4.
- 5.3 If the case falls within 5.4 the OHF will vet each case to determine which of the following processes will be applied and if the case doesn't fall within 5.4 the OHF Member will decide which process will be applied:
  - 5.3.1 The complaint is a request pursuant to the regulations of the OHF or OHF Member and will follow the appropriate Appeal Process of the original decision; or

- 5.3.2 The complaint is deemed to be potential Misconduct or violation of one of the OHF Codes of Conduct and will follow an internal investigation process by the OHF as set out in 5.4 or by the OHF Member as set out in 5.5.

  - 5.4.1 When a Complaint concerns an OHF Director, representatives while acting in the capacity of their OHF position or OHF Staff, the complaint will be handled either by the OHF or Hockey Canada when deemed appropriate.

  - 5.5.2 Upon receipt of a Complaint returned from the ITP through the OHF that meets the requirements of 5.3.2, the OHF Member will conduct an investigation consistent with Section 6 of this policy.
  - 5.5.3 OHF Members will provide a quarterly report to the OHF pertaining to complaints on July 31, October 31, January 31 and April 30 each year that will include: (a) the total number of complaints of Maltreatment, Harassment, Bullying and Misconduct received and forwarded to the ITP (b) the total number of complaints returned to them by the ITP and the outcomes.

## **6. INVESTIGATIONS**

---

- 6.1 The OHF is committed to investigating all reports of Misconduct under the OHF Codes of Conduct involving Registered Participants. The investigation will adhere to all principles of natural justice, providing procedural and substantive due process for all parties to the investigation. Note that the OHF may be unable to investigate the conduct of a Registered Participant in instances where law enforcement are conducting a parallel investigation.
- 6.2 At the outset of each investigation, the OHF will consider whether interim suspensions or other restrictions on participation should be put in place pending the completion of the investigation. Such measures may be appropriate depending on the nature of the allegations and the information contained in the complaint.
- 6.3 Interference with or manipulation of the process is strictly forbidden. It is a violation of this process if any party to the investigation does any of the following:
  - 6.3.1 Falsifies, distorts, or misrepresents information, the resolution process, or an outcome;
  - 6.3.2 Destroys or conceals information;
  - 6.3.3 Attempts to discourage an individual's proper participation in the investigation or from reporting an incident;
  - 6.3.4 Harasses or intimidates (verbally or physically) any person involved in the investigation before, during, and/or following any investigation;

- 6.3.5 Publicly discloses a party's identifying information, without that party's agreement;
  - 6.3.6 Fails to comply with any temporary or provisional measure or other final sanction;
  - 6.3.7 Distributes or otherwise publicizes materials a party gains access to during an investigation or hearing, except as required by law or as expressly permitted; or
  - 6.3.8 Influences or attempts to influence another person to interfere with or manipulate the process.
- 6.4 If a party to an investigation is found to have engaged in any of the above noted activities, they will become subject to the sanctions listed in this Policy.
- 6.5 Reprisal taken against any Complainant will not be tolerated. A Registered Participant engaged in reprisal or retaliation will be subject to the sanctions listed in this Policy.
- 6.5.1 In order to remain impartial for the purpose of hearing appeals, the OHF will not engage in investigations except: (a) where it is inappropriate for the OHF Member to do so, or (b) if the initial investigation was conducted incorrectly as determined by OHF Regulation 6 (OHF Handbook), or (c) if the complaint relates to a Registered Participant of one OHF Member launched by a Registered Participant of another OHF Member.
  - 6.5.2 All investigations of Misconduct will be conducted in accordance with the OHF Confidentiality Statement Implementation Guidelines. Disclosure of any part of the final report will be provided at the discretion of the OHF Chair of the Board and where third-party confidentiality is required the full report may not be provided. Upon the final determination a summary report may be available to the relevant parties who may include, but are not limited to, the person(s) who initiated the complaint, the person(s) against whom the complaint was made, any person(s) against whom any adverse finding is made.
  - 6.5.3 When the OHF is conducting an investigation, the report resulting therefrom, will be received by the OHF Officers (as listed with the Ontario Government) for review and determination.
  - 6.5.4 Any decision for the OHF to contact the police on the basis of the Investigation Report will be made by the OHF Chair of the Board.
  - 6.5.5 OHF Member Responsibility:
    - 6.5.5.1. OHF Members are required to oversee all investigations within their jurisdiction.
    - 6.5.5.2. Once directed to do so, an OHF Member may not cede its responsibility to:
      - a. complete the investigation and;
      - b. render a decision within the specified timeframe
  - 6.5.6 The failure of an OHF Member to complete an appropriate fact finding investigation and render a decision, once directed, may result in disciplinary action at the discretion of the Chair of the Board or Board of Directors.
- 6.6 OHF Members are encouraged to employ the services of a professional investigation firm or suitably qualified individual to be determined as appropriate, by the individual OHF Member.

## **7. RESPONSES, SANCTIONS AND REMEDIES**

---

- 7.1 It is the position of the OHF that Misconduct cannot and should not be tolerated in any environment, including hockey. Misconduct is unacceptable and may be harmful. The OHF recognizes the negative impact of all types of Misconduct on personal dignity, individual and group development and performance, enjoyment of the game and in some cases, personal safety.
- 7.2 At the same time, the OHF recognizes that not all incidents of Misconduct are equally serious in nature and in their consequences. Misconducts cover a wide spectrum of behaviours, and the response to those forms of behaviour must be equally broad in range, appropriate to the behaviour in question, and capable of providing a constructive remedy. The process of investigation and resolution of any complaint of Misconduct must be fair to all parties, allowing adequate opportunity for the presentation of a response to all allegations by the Respondent.
- 7.3 Any sanction imposed against a Registered Participant must be proportionate and reasonable, relative to the Misconduct that has occurred, considering previous disciplinary actions.
- 7.4 However, progressive discipline is not required as a single occurrence of a prohibited activity can lead to a very significant sanction.
- 7.5 If Misconducts are proven, one or more of the following sanctions may be imposed:
- 7.5.1 Verbal or Written Warning – A verbal reprimand or an official, written notice that a Registered Participant has violated the Policy and that more severe sanctions will result should the Registered Participant be involved in other violations.
  - 7.5.2 Education – The requirement that a Registered Participant undertake specified educational or similar remedial measures to address the violation.
  - 7.5.3 Probation – A period can be set wherein, if the Registered Participant is found to have engaged in any behaviour prohibited by this Policy, then they will be subject to loss of privileges or other conditions, restrictions, or requirements for a specific period of time.
  - 7.5.4 Suspension – Suspension, either for a set time or until further notice, from participation, in any capacity, in any OHF sanctioned activity. A suspended Registered Participant is eligible to return to hockey, but reinstatement may be subject to certain restrictions or contingent upon the Registered Participant satisfying specific conditions noted at the time of suspension.
  - 7.5.5 Eligibility Restrictions – Restrictions or prohibitions from some types of participation but allowing participation in other capacities under strict conditions.
  - 7.5.6 Permanent Ineligibility – Permanent ineligibility to participate in any OHF sanctioned activity.
  - 7.5.7 Other discretionary sanctions – Other sanctions for Misconduct may be imposed, including, but not limited to, other loss of privileges, no contact directives, a fine or a monetary payment to compensate for direct losses, or other restrictions or conditions as deemed necessary or appropriate.
  - 7.5.8 Factors relevant to determining appropriate sanctions include, without limitation:

- 7.5.8.1. The severity of the Misconduct and whether it constitutes criminal behaviour;
  - 7.5.8.2. The nature and the duration of the offender's relationship with the victim, including whether there is a Power Imbalance between the two parties;
  - 7.5.8.3. The offender's prior history and any pattern of inappropriate behaviour or Maltreatment;
  - 7.5.8.4. The ages of the individuals involved;
  - 7.5.8.5. Whether the offender poses an ongoing and/or potential threat to the safety of other Registered Participants;
  - 7.5.8.6. The offender's voluntary admission of the offense(s), acceptance of responsibility, and/or cooperation with the investigation
  - 7.5.8.7. Real or perceived impact of the incident on the victim, the OHF, or the hockey community;
  - 7.5.8.8. Circumstances specific to the offender being sanctioned;
  - 7.5.8.9. Whether, given the facts and circumstances that have been established, continued participation in the hockey community is appropriate;
  - 7.5.8.10. An offender who is in a position of trust, intimate contact or high-impact decision making may face more serious sanctions; and
  - 7.5.8.11. Other mitigating or aggravating circumstances.
- 7.5.9 Any single factor, if severe enough, may be sufficient to justify the sanction(s) imposed. A combination of several factors may justify elevated or combined sanctions.
- 7.5.10 Presumptive sanctions are in place for certain violations of this Policy. The following sanctions are presumed to be fair and appropriate for the listed violations, but the offender affected may rebut these presumptions or the OHF may provide more severe sanctions where appropriate:
- 7.5.10.1. Sexual Maltreatment involving a Minor Registered Participant shall carry a presumptive sanction of permanent ineligibility;
  - 7.5.10.2. Sexual Maltreatment, Physical Maltreatment with contact and any attempts to mislead an investigator or falsify evidence shall carry a presumptive sanction of either a period of suspension or eligibility restrictions; and
  - 7.5.10.3. While an offender has pending charges or dispositions in violation of the criminal law, the presumptive sanction shall be a period of suspension.
- 7.5.11 A false accusation of Misconduct can be devastating to the Registered Participant who is being accused, both personally and professionally. Any Complainant making a complaint which is found to be clearly unfounded, false, malicious or frivolous, therefore, will be in breach of this Policy, and may be subject to consequences within the OHF and may also be referred to third party authorities.

- 7.5.12 All decisions under this Policy will be final, with no further right of appeal or reconsideration within the OHF's structure.
